

API Delevan[®]

Temperature Stability.

Consistent Performance over Extreme Temperature Ranges.

Temperature Stable Surface Mount Inductors (4232)

- Offered in Industry Standard Package Sizes (1008, 1210)
- Less than 1% change in L over -40°C to +120°C temperature range
- Operating Temperature Range: -55°C to +125°C
- Inductance values up to 47.0 μ H
- Inductance tolerances down to +/-1%
- Terminations: Tin-Lead (Sn63/Pb37), RoHS (Sn95.5/Ag3.8/Cu0.7)
