

API Delevan[®]

Shielded Construction.
High Performance for High Speed Applications.

Shielded Surface Mount Inductor (S1210)

- Industry Standard Package Sizes Offered (S1008, S1210, S1812)
- Inductance values up to 100 μ H
- Inductance tolerances down to +/-2%
- High Saturation Current Capabilities
- Reduced EMI for tight adjacent board placement
- Terminations: Tin-Lead (Sn63/Pb37), RoHS (SN95.5/Ag3.8/Cu0.7)
