

Obsolescence of Part Numbers

Description of Change: API Delevan announces the end of life for PD Part Numbers below. Obsolescence of raw material and diminishing demand have resulted in the decision to remove this series from the Standard Product offering.

API Delevan P/N	Effectivity Date
PD73R	5/31/2022
PD75R	
PD105R	

Product Classification: SMT Power Choke Core

Series/Families Affected: PDXXXR

Replacement Series: None

Expected Effect on Quality/Reliability/Performance: N/A

Expected Effect on Form/Fit/Function: None

Implementation Date: See above

Sample Availability: N/A

Qualification/Test Data: N/A

Issued By: API Delevan, Engineering Department
